

CASUAL TECHNICIANS

The ACLX logo is displayed in a bold, white, sans-serif font on the screen of a laptop. The laptop is white with a black screen. The background of the entire image is black with a red and white halftone pattern on the right side.

ACLX are busy and are looking for more experienced casual crew to join their team! If you have experience in the entertainment industry, and are interested in working with the best lighting, sound and vision team in the Waikato, apply today!

We need someone who can lead as well as follow, who has a good, broad knowledge of production gear, is hardworking and reliable, and who loves a challenge in a fun, supportive environment.

Our Casual Technicians work across all technical departments. The role would suit someone who has finished a relevant tertiary qualification, or has a few proven years experience in the industry.

As is the nature of the work, you will need to be flexible and available after hours and weekends.

- You must have a Full NZ Driver's Licence.
- You must be eligible to work in New Zealand.
- It would be awesome, but not obligatory, if you had an EWP certificate.

At ACLX, you'll get to work on a variety of events, from corporate gigs to theatre to festivals. We're a close-knit team who love what we do – and we're looking for someone who shares that energy.

Interested? Drop us a line – we'd love to chat! philippa@aclx.nz
